Kajal Yadav

MERN Full Stack Developer

github.com/kajalyadav30
linkedin.com/in/your-linkedin

Full Stack Web Developer skilled in the MERN stack with hands-on experience building responsive web applications, RESTful APIs, secure authentication systems, and interactive user interfaces. Proficient in developing scalable and maintainable applications with a strong focus on problem-solving, clean UI/UX, and efficient code. Seeking to contribute technical skills to innovative projects while growing as a software developer.

TECHNICAL SKILLS

Languages	C, C++, Java, JavaScript, HTML5, CSS3
Frameworks	React.js, Node.js, Express.js, Tailwind CSS
Database	MongoDB, SQL
Web Technologies	REST APIs, JWT, Responsive Web Design
Tools	Git, GitHub, VS Code

PROJECTS

StudentSwap – Campus Marketplace

2026

React.js, Node.js, Express.js, MongoDB, Tailwind CSS, JWT, Cloudinary

- Developed a full-stack campus marketplace inspired by OLX, enabling college students to buy and sell second-hand books and equipment.
- Built and integrated **RESTful APIs** using **Node.js** and **Express.js** for product listings, user management, and marketplace operations.
- Implemented secure user authentication and authorization using **JWT** with protected routes and role-based access control.
- Added property listing, search and filtering, user dashboard, and **Cloudinary** image upload functionality with a responsive and user-friendly interface.

Chaskaa - Food Ordering Platform

2026

MongoDB, Express.js, React.js, Node.js, Tailwind CSS, JWT

[Live](#) | [GitHub](#)

- Built a full-stack food delivery platform with role-based access for **User, Restaurant Owner, and Admin** with secure **JWT authentication**.
- Developed **RESTful APIs** for restaurant management, menu CRUD, cart, order placement, and real-time order status tracking (pending, accepted, delivered).
- Implemented image upload for restaurants/menus using **Multer** and optimized MongoDB queries with indexing.
- Designed responsive **Admin Owner Dashboards** for analytics, menu management, restaurant management, and order processing.

Personal Portfolio Website

2025

React.js, Tailwind CSS, JavaScript, EmailJS

[Live](#) | [GitHub](#)

- Developed and deployed a responsive personal portfolio to showcase projects, skills, and experience with a clean, modern UI.
- Built reusable components using **React.js** and **Tailwind CSS** with smooth animations using **Framer Motion**.
- Integrated **EmailJS** for functional contact form with real-time email notifications and form validation.
- Ensured cross-browser compatibility and mobile responsiveness, optimized performance with lazy loading.

CERTIFICATIONS & TRAINING

Full Stack Web Development Vocational Training

June 2026

Technonet Private Limited

- Completed **1-month intensive vocational training** focused on practical MERN stack web development.
- Engineered and delivered **full-stack project deliverables** within the designated timeframe.

Web Development Using HTML, JavaScript and CSS

July 2025 – August 2025

Chhattisgarh Swami Vivekanand Technical University (CSVТУ)

Grade: A

- Completed intensive training on **modern web development fundamentals**.
- Gained hands-on expertise in **HTML5, CSS3, and JavaScript** for building interactive and responsive web applications.

EDUCATION

Bachelor of Technology in Information Technology

Shri Shankaracharya Technical Campus, Bhilai, Chhattisgarh, India

Aug 2023 - Jun 2027
